Message from Pastor JJ

Journey Church,

Firstly, thank you. Thank you for being so willing to follow God Into the Cloud. This past year we went into uncertainty and took many risks with the launching of a new campus, giving away more money than we ever have before to help more people than ever before. We went higher with our encounter nights and our commitment to live life a better way, different from the status quo. And God showed up every step of the way! Through all these things, we learned that God can and will still do miracles. We love you Journey Church, God can, and still does, miracles. Thank you!

Walking with you,
PASTOR JJ & LIZ VASQUEZ

TESTIMONY

JOSIAH RAMOS, ONLINE TEAM

Oh how being a dream teamer has impacted my life. I have become a vessel for God to work! Serving as live host has developed people skills I use in my day to day life! I am able to speak life into people! Through that my family has tuned into to watch journey even if it was for me it still lead them to sermon and even led my grandma and cousin into coming in person. It even came in the influence of my girlfriend serving along side me and having God at the center of our relationship. Another impact was my workplace a family recognized me from a service and it was such a warming and surreal feeling! It's all through God, glory to him! Thank you so much journey for giving me an opportunity to serve God I pray to do more and be more involved in other areas!

TESTIMONY

KRYSTAL DIAZ, SMALL GROUPS TEAM

I have been attending Journey for nearly five years now and feel privileged for the opportunity to serve in different capacities. Serving has allowed me front row seat to seeing God's works in people's lives which in turn increases faith. Through serving, God has revealed my special gifts to me and confirmed my calling. The joy that comes with serving others has translated to my everyday life. It is also through serving that I have gained an authentic community of believers to walk life with. When trials come, I have the faith, Joy and people to walk with me through any difficult situation. Thank you Journey Church for providing a Home to so many.

TESTIMONY

KATIRIA CINTRON, JOURNEY YOUTH

Before deciding to accept Jesus in my life, I was in a very dark season of my life. Finding Journey was by far the best thing that has happened to me in the past 5 years. As soon as I entered those doors, I had a wonderful feeling of belonging that is impossible to explain. Serving in Journey has completely changed my life in a positive and uplifting way. Every person that I have met, has taught me how to put God first in my life while helping me strengthen my relationship with Him. Serving has helped me fall in love with the Word, it has taught me how to be more dedicated and committed to building the Kingdom of God. I've learned how to lead from others, always pursuing excellence both inside and outside of church; I've learned how to choose joy no matter the circumstances of my life because I'm constantly seeing the positive, assuming the best, and fighting for the family that I have in Christ. I've learned that my fullest joy comes from serving others while utilizing the spiritual gifts that God had gifted me. Thanks to serving on Journey Church I have built strong, healthy relationships with a community of extraordinary people that nowadays I call FAMILY.
